Dear Parents

I'm sure, like the staff and I, you will be glad to see the end of *another* school year filled with disruption and uncertainty. This time last year, we were hoping for a return to normal and we certainly did not think that we would still be dealing with Covid a year on. I would like to **thank you** all for your incredible patience, support and kindness this year. I know how hard it has been for families during the pandemic, juggling work and remote learning and dealing with all the other stresses that the pandemic precipitated.

I would like to **thank the staff** of our school who have worked tirelessly throughout the year to keep everyone safe and learning. They have remained positive throughout and risen to every challenge that they have faced and continued to put our children first and foremost.

Although the year has not been as we had hoped, our children have been, as always, **absolute superstars!** From the youngest to the oldest, they have dealt with all changes and control measures so sensibly and have continued to put 100% into their learning and play throughout the year - we are **very proud** of them!

We were devastated that one of our Year 6 bubbles burst this week but thankfully, they will have one final day in school before moving on to Year 7. Our Year 6s have been a wonderful group of students. During the year, they have grown in confidence and self-belief and we wish them every success for the future. We will miss them very much and will continue to keep them in our thoughts and prayers in the years ahead.

Despite the restrictions, we have had some fantastic times this year and our school community remains as strong as ever. **It is an honour and a privilege to serve as Headteacher of St Patrick's.**

I wish every member of our school community a relaxing and restful summer holiday - I look forward to welcoming everyone back in September.

With very best wishes

We finish on Tuesday 20th July and return to school on Monday 6th September
